Sponsor/Client:	MITRE Corporation				
Total number of person-hours spent on project by group during past week:				15	
Is project on schedule?		Yes	[X]	No	[]

Weekly status:

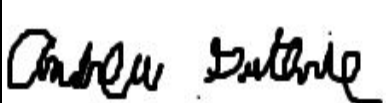

Last week, our team was working towards finishing up the final presentation and also working on getting basic output functionalities from the GNU Radio. Several trial and error methods are being performed to get efficient output in signals and for further analysis. The final report is also being prepared as our team is progressing.
